

A photograph of a laboratory bench with several Erlenmeyer flasks containing liquids of various colors: orange, yellow, green, pink, black, light blue, and dark purple. The flasks are arranged on a white tiled surface. In the background, there is a blue laboratory bench with various pieces of equipment, including a white tube and a red knob. The text 'CORSO BIOTECNOLOGIE SANITARIE' is overlaid in the center in a blue, outlined font.
